PROFESSIONAL EXPERIENCE

Baltimore County Public Schools — Towson, MD

Team Leader, 6th Grade
Aug 2025 – Present

- Lead and support a 6th-grade teaching team by coordinating planning, reviewing data, and aligning instruction with district goals.
- Serve as the communication bridge between administration and staff to streamline updates, address concerns, and support informed decision-making.
- Facilitate grade-level meetings, share best practices, and promote consistent, effective classroom management strategies.
- Mentor colleagues, encourage collaboration, and contribute to a positive school culture centered on student growth, success, and accountability.

Secondary English Teacher (ELA 6th Grade)
Jan 2023 – Present

- Plan and teach rigorous ELA curriculum with a focus on reading comprehension, writing development, grammar instruction, and digital literacy.
- Build a culturally responsive classroom that fosters engagement through a diverse library, daily independent reading, and structured journaling.
- Support students in mastering academic writing by modeling paragraph structure, teaching typing fluency, and providing scaffolded writing assignments.
- Communicate consistently with families and collaborate with GT, ESOL, and special education staff to support all learners.

Teacher- Children of America & La Petite Academy- Ellicott City, MD
January 2021 – December 2022

- Delivered developmentally appropriate instruction for preschool learners in literacy, math, and social-emotional learning.
- Collaborated with families and staff to support student growth and maintain a structured, nurturing classroom environment.

Teacher & Assistant Director- The YMCA-Ellicott City, MD
Aug 2017 – Jan 2021

- Taught preschool-age students across multiple YMCA locations, supporting early literacy and social-emotional skills.
- Served as counselor and assistant director for summer programs, overseeing daily schedules, supervising staff, and coordinating group activities.
- Ensured all safety procedures, parent communications, and program requirements were followed consistently.
